Re: Call for tenders for purchase of a server, for the needs of the General Consulate of Greece in Montreal.

The General Consulate of Greece in Montreal, according to Law 4412/2016 as it has been amended, intends to sing a contract in order to purchase a server for a total budget of 16,000.00 CAD including taxes. The quote should fulfill the tender specifications described in the Annex attached herewith, and should include the following:

- a) Price per item including deductions and taxes, and the total cost, which cannot exceed the aforementioned budget.
- b) The total amount of taxes
- c) The validity period of the presented offer

The selection criterion is the most value-for-money offer that will satisfy the technical specifications included in the attached Annex

The quotes can be submitted in hard copy at the General Consulate of Greece in Montreal or by email in the email address of the Consulate General of Greece in Montreal (see above contact info) **no later than 14th March 2025.**

The Tender will ensure that, upon request and at any given time, to provide proof of insurance, tax/fees payments and criminal record, certificate of company's registration, certificate for the representation of the company and bank account number

Quotes from companies that are not included in this invitation will not be considered.

The General Consul

Aikaterini Varvarigou

The Consulate General of Greece in Montreal (CGCM) is going forward to purchasing hardware and software installation and configuration services that meet the following requirements.

An entry level Server ideal for small businesses and branch offices.

In particular, the Server will support:

- Two low duties centralised (legacy) applications shared to up to 15 end users.
