End of Year Certificate

Tax year to 31st April 2024

To the employee:

Please keep this certificate in a safe place as you will need it if you have to fill in a tax return. You also need it to make a claim for tax credits and Universal Credit or to renew your claim.

It also helps you check that your employer is using the correct National insurance number and deducting the right rate of National insurance contributions.

By law you are required to tell HM Revenue and Customs about any income that is not fully taxed, even if you are not sent a tax return.
