

EMBASSY OF GREECE
YEREVAN

gremb.ere@mfa.gr

Protocol No.: 0861/3/AS 495

Date: October 27, 2026

Call for Expression of Interest

For the supply of one (1) new official passenger car, through the direct assignment procedure.

The Embassy of Greece in Yerevan, taking into account the provisions of Law 4412/2016 on Public Contracts for Works, Supplies, and Services, as well as the current service needs for the transportation of staff and administration, intends to proceed with the supply of one (1) new (unused) official car.

Interested economic dealers (authorized dealers/representatives) are invited to submit a written technical and financial offer.

1. Object & Budget

- Type: New passenger car, closed body type (e.g., SUV / Sedan / Hatchback).
- Condition: New, unused, never registered, year of manufacture not earlier than the 2nd half of 2024.
- Estimated Value: Up to €50,000.00.

2. Minimum Mandatory Technical Specifications

- Engine / Fuel: [Petrol / Diesel / Hybrid / Fully Electric].
- Engine Size / Power: At least [1,600 cc and 120 HP].
- Emission Specifications: Pollution control technology.
- Body / Space: 5-door, type-approved for 5 seats and luggage capacity of at least 400 liters.

- Safety (Active & Passive): Anti-lock braking system (ABS), electronic stability control (ESP), driver-passenger airbags and side airbags (curtain type).

- Additional Equipment: Air conditioning or automatic air conditioning, spare tire or tire repair kit.

3. Delivery Time & Place

- Delivery Time: The maximum delivery time for the vehicle, fully prepared and ready for use ("turnkey"), is strictly set at thirty (30) calendar days from the date of signing the relevant contract or notification of the award decision.
- Economic operators must explicitly state in their offer their commitment to meet the above 30-day limit. Offers with a delivery time longer than the specified period will be rejected as unacceptable..

4. Participation Documents & Offer Content

- The vehicle must be completely new, unused, and meet the specifications.
- Full technical brochure (Prospectus) from the manufacturer, showing point by point compliance with the requirements.
- Written confirmation of the factory warranty period (at least [e.g., 2 or 5] years) and availability of authorized service network.
- Final price.

5. Deadline & Submission Method of Offers

Offers must be submitted electronically to the official email address of the Authority: gremb.ere@mfa.gr with the subject "Offer for the supply of an official vehicle."

Deadline: 03.11.2026 at 23:59

6. Award Criterion

The award criterion is the most economically advantageous offer based solely on price (the lowest price), provided that the technical offer fully meets the minimum required specifications and the required delivery time of 30 days.
