We are inviting qualified contractors to submit a tender for the **removal of an existing garage door** and the **supply and installation of a new high-quality metal sliding garage door** at our premises.

**Scope of Work:**

**1. Removal of Existing Door:**

- Dismantle and safely dispose of the existing garage door including all associated debris and waste. The site must be left clean and clear.

**2. Site Preparation:**

- Prepare the opening and surrounding structure as necessary to accommodate the new sliding door.
- Ensure all preparatory work complies with safety and structural standards.

**3. Supply and Installation of New Garage Door:**

- Provide and install a **remote-controlled metal sliding garage door** (dimensions 220X 480 cm approximately).
- The metal must be of **high quality**, designed for **durability and resistance to corrosion**, and must come with a **minimum 5-year guarantee against rust**.
- The system must include:
  - A reliable **remote-control mechanism** (with at least four remotes)
  - **Manual override functionality** for emergencies
  - Integrated **security features**, including a locking system or tamper-resistant design
  - Weather seals and smooth-sliding operation
-

4. **Budget:** Our allocated budget for this project is **46.250 NIS** (inclusive of all works and VAT). Please ensure your proposal is within this range. We require a clear breakdown of all costs. Additionally, please specify if there are any potential hidden or additional charges that might arise beyond your initial quoted price.

○

**Submission Requirements:**

Interested contractors must submit:

- A detailed cost proposal with breakdown of materials, labor, and installation
- Technical specifications and brochures of the proposed door system
- Warranty information (including rust protection)
- Description of the door's security features
- Project timeline

Tenders may be submitted in hard copy or in electronic form to the Email: [grgencon.jer@mfa.gr](mailto:grgencon.jer@mfa.gr), until 15 August 2025.

The criterion for the selection will be the most economical price offer that fulfills the said specifications.

The Consul General

Dimitrios Angelosopoulos
